

Our goal: animal welfare

We are raising funds to create a new animal shelter in the Hautes Pyrénées.

Our aim is to improve the lot of animals, to offer them a place to live, to offer them help and protection, medical care, vaccination, sterilisation, all with the aim of finding them a permanent loving home.

A new centre, compliant with all laws and standards, with qualified personnel, veterinary care, space to move; in short, a pleasant place for **ALL**.

We have set ourselves the goal of offering a home from home for animals whose owners are in long-term hospital care, of working with associations for autistic or handicapped children as well as with old people's homes.

Thank you for caring.
